Toagosei Co., Ltd.

**Toagosei Recognized as a 2026 Outstanding Organization of
KENKO Investment for Health (Top 500 Enterprise)**

Toagosei Co., Ltd. (the “Company”), led by President, COO and Representative Director Hidenori Kobuchi, hereby announces that it has been recognized as a 2026 Outstanding Organization of KENKO Investment for Health (Large Enterprise Category [White 500]) under the program jointly administered by the Ministry of Economy, Trade and Industry (METI) and Nippon Kenko Kaigi (Japan Health Council). This marks the sixth time that the Company has received this recognition.

METI implements the Recognition Program for the Outstanding Organizations of KENKO Investment for Health together with Nippon Kenko Kaigi, which is made up of the leaders of the business world, healthcare organizations, and local governments. The program recognizes enterprises that practice outstanding health and productivity management. Among these, the top 500 companies are awarded as “White 500.”

The Company positions the maintenance and promotion of employee health as a key issue and is actively working to improve the mental and physical health of each employee. Specifically, it has focused on prevention of lifestyle diseases, banning smoking within the company premises from October 2025 along with enhancing the smoking cessation support program such as providing full subsidy for smoking cessation medications. The Company has also been implementing other initiatives, including subsidies for gym memberships, offering opportunities to improve dietary habits using a system that enables employees to monitor their vegetable consumption, and conducting various health-related seminars.

The Company will continue to promote health and productivity management based on the belief that building a vibrant and creative organization, where each and every employee can work in a lively and fulfilling manner, will in turn lead to the growth of the Company.
