Toagosei Co., Ltd.

Increase in the Price of Sodium Hypochlorite

Toagosei Co., Ltd. hereby announces that it has decided to increase the selling price of the following products and has entered into negotiations with its customers.

1. Products Subject to Price Increase

Sodium Hypochlorite

Tsuruchlon

Aron Clean

2. Amount of Price Increase

6 yen per kg or more (tanker truck)

10 yen per kg or more (polyethylene tank and bags-in-box)

3. Effective Date

Products shipped from August 1, 2022

4. Background

The Company raised prices of these products in December 2021, but the price of raw materials and fuel has soared since then, causing the cost of manufacturing and selling sodium hypochlorite to rise, pressuring business profitability.

The Company is working to reduce costs by way of production streamlining and logistics rationalization. However, the Company has determined that it can no longer absorb cost increases through its own efforts. Therefore, the Company has determined it is necessary to increase the product price again to continue stably supplying products with an appropriate quality in the future.
