

**Revision to the Price of Ferric Chloride (FeCl<sub>3</sub>) Solution**  
**and Ferrous Chloride (FeCl<sub>2</sub>) Solution**

Toagosei Co., Ltd. hereby announces that it has decided to increase the selling price of the following products and has entered into negotiations with its customers.

1. Products

Ferric Chloride (FeCl<sub>3</sub>) Solution

Ferrous Chloride (FeCl<sub>2</sub>) Solution

2. Price Revision Range

Bulk Transportation: +20 yen per kg

Poly Cans: +30 yen per kg

3. Timing of the Increase in Price

Products shipped from June 1, 2025

4. Background to the Increase in Price

The aforementioned products have been facing increasing pressure on profitability due to a rise in expenses, including higher repair costs, raw material prices, logistics expenses, and labor costs.

Despite our efforts to reduce costs and improve production efficiency, these measures alone have reached their limits. Under these circumstances, we have determined that revising product prices is essential for ensuring the sustainability of our business operations moving forward.
