Revision to the Price of Industrial Potassium Bicarbonate

Toagosei Co., Ltd. hereby announces that it has decided to revise the selling price of the following products and has entered into negotiations with its customers.

1. Product

Industrial Potassium Bicarbonate

2. Price Revision Range

20kg bags: +100 yen or more per kg

3. Timing of the Price Revision

Products shipped from June 15, 2025

4. Background to the Price Revision

The aforementioned product has been facing increasing pressure on profitability due to rising costs, including higher repair expenses, logistics costs, and fuel prices.

Despite our efforts to reduce costs and improve production efficiency, these measures alone have reached their limits. Under these circumstances, we have determined that revising the product price is essential for ensuring the sustainability of our business operations moving forward.
