## **Revision to the Price of Polymer and Oligomer Products**

Toagosei Co., Ltd. hereby announces that it has decided to revise the selling price of the following product and has entered into negotiations with its customers.

### 1. Products

Polymer and Oligomer Products (in General)

### 2. Price Revision Range

All Products: Increase of 10% or More

### 3. Timing of the Price Revision

Products shipped from April 1, 2026

### 4. Background to the Price Revision

The products have been facing increasing pressure on profitability due to rising costs, including higher repair expenses, increased raw material and fuel prices, as well as rising logistics and labor costs.

Despite our efforts to reduce costs and improve efficiency in production, these self-help measures alone have reached their limits. Under these circumstances, we have determined that revising the product prices is essential to ensure a stable supply moving forward.
